

## About Smile Center of Orlando

Are you searching for a dentist near me? Are you tired of your teeth searching dull and stained? If so, consider teeth whitening in Winter Park. At Smile Center of Orlando, we can help you regain your confidence with a bright white smile. We use the latest technology to remove years of stains and discoloration from your teeth to give you that celebrity look. Most patients' teeth become stained or discolored over time due to many factors: diet, lifestyle choices, and age. However, you don't have to live with those stains. Smile Center of Orlando offers professional whitening treatments that can help remove them within 90 minutes! Our treatments are fast, effective, and affordable. Most patients see results after their first appointment! Plus, we offer professional whitening treatments that you can take home so you don't have to worry about missing work or school. Call us today for more information about our services in Orlando!
